Help decide the future of new development in Shawnee

Attend the Unified Development Code

Community Meeting

June 16 at 5:30pm | City Hall (16 W. 9th Street)

The meeting will include a presentation about the Unified Development Code (UDC) process. The community is encouraged to participate in activities to provide feedback and direction to help guide development of the UDC.

The UDC will establish land use regulations that align with the Shawnee Next Horizons comprehensive plan to positively affect the growth and development of the City.
